

Richmond City's 109th Annual Black & White Days 2024 May 13th through 18th

Hello,

We are to the final countdown with only a few days until we begin celebrating. Once again, we thank you for wanting to participate in our events and look forward to celebrating with you. Attached you will find the parade directions, please read through them. Just a few items of note to include are:

Line up is strictly in the order you arrive. However, the start of the parade is reserved as follows:

- Color guard
- Grand Marshall
- Richmond City Council and Mayor
- Richmond Lions Club
- Richmond Black and White Days Royalty
- Richmond City Youth Council
- Smithfield Fire Department
- Sky View High School Band
- Jumpin' Jelly beans and White Pine

For all others line up will begin at 800 South (this is marked "B" on the map) on a first come first serve basis.

Entrance for parade will be at 9000 North, there will be a poster sign with black and white balloons.

Fire Department and SVHS band will line up at 600 south and 50 East (North Cache) and will be directed in after the elementary school.

*******PLEASE do not hold up parade traffic by handing out treats individually. If this is something you are wanting to do, we ask that you reserve a booth during the daytime activities. This alone will help with the flow of parade traffic. As a reminder when tossing candy please throw over the heads of those attending the parade o help avoid any accidents.*******

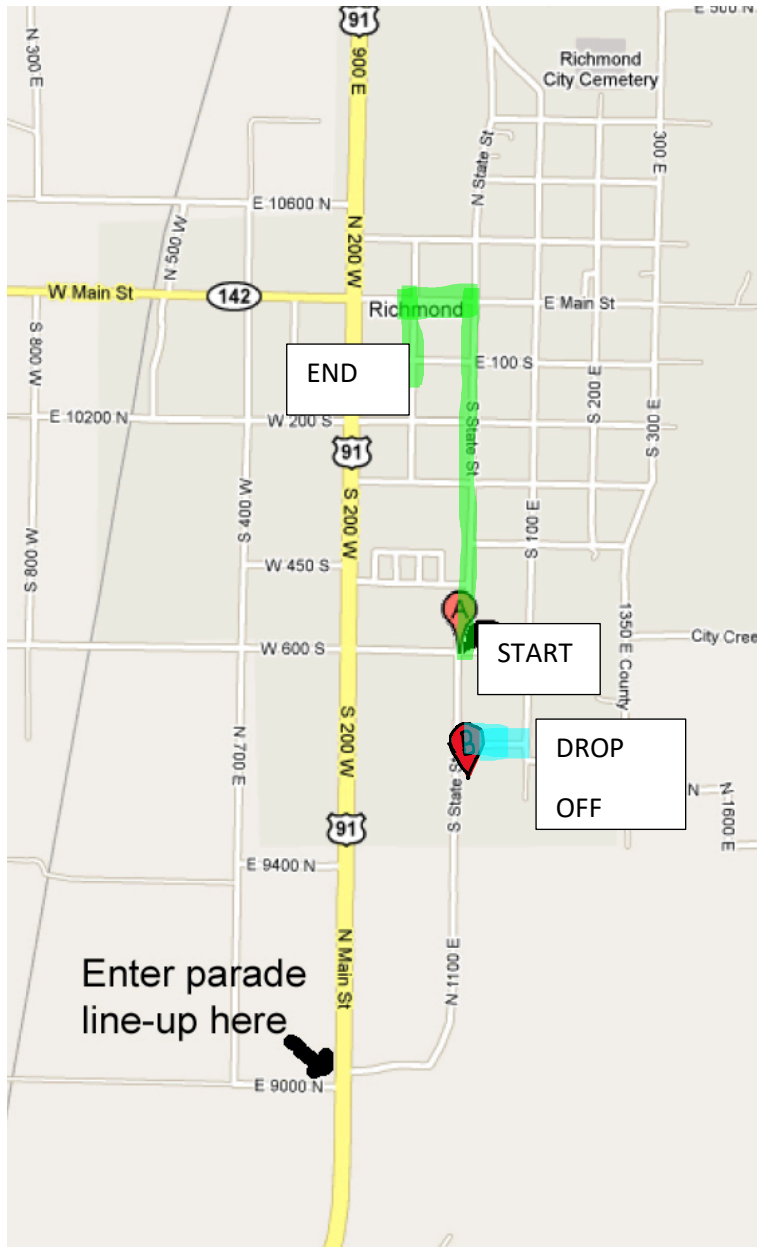

If you have children that need to meet for your float we ask that you coordinate it with parents. You can drop children off at 800 south and between State street and 100 East, approaching from the east (marked "B" on the map) Traffic will be stopped along the parade route prior to the parade starting. Any parent dropping off a child will be required to park and wait until the parade is over.

Feel free to contact me with any further questions.

See you all there!

Amber Erwin

Parade Directions for May 18th at 5:00 pm

“A” is the actual starting point of the parade. It proceeds north along State Street to Main Street, where you turn left for one block, then left again. The parade route ends in front of the Richmond City offices located at 90 South 100 West. (Green highlight)

“B” is the actual starting line up for the parade participants.

Because State Street is narrow, we ask all participants to enter from the south at 9000 North along Highway 91. There'll be a sign at the intersection. **Line-up is strictly in the order you arrive.** Please do not block any driveways along the staging area with your parade entry. Parking is not available along the staging area; I suggest you park your travel vehicles at the City offices (the end of the parade) and the city park.

Beginning at 4:30 pm, south bound traffic along State Street will be stopped at 600 South State. If you have riders for your float that need to be dropped off, they must either enter at 9000 N Hwy 91 or walk from 600 South State. Please be in line by 4:45 pm.

As in past years, horse groups are encouraged to turn onto 600 South Hwy 91 (North Cache School) and unload just east of the parade start (between State Street and 100 East). Bands may unload and line-up in the parking area at North Cache.

I will be driving along the parade line-up and staging areas; flag me down if you have questions, etc. My cell phone is 435-890-0337. And remember—there's a lot more going on in town this week: Holstein cattle show, movie & music night at the park, and on Saturday is the Cowabunga Race, Chuckwagon Breakfast, Highland Games, Family Entertainment, vendor booths, and one of the last open Draft Horse Pulls in the nation. For times on all these, go to <https://richmondutah.org/bwdays.html>

See you there!!

Council Member Amber Ervin
